SECOND NOTICE
June 18, 2020

Mr. Glen Jackson, Sr., Principal
Mrs. Cindy Schiavo, Asst Principal

RE: 5TH GRADE STUDENTS ENTERING 6TH GRADE

Dear Parent/Guardian:

The following immunizations are required by the State of New Jersey for all grade 6 students:

1. Meningococcal vaccine

Children born after January 1, 1997 and enrolled in grade 6 or transferring into a New Jersey school from another state or country are required to receive one dose of meningococcal vaccine such as meningococcal conjugate vaccine **when they turn 11 years old.**

2. Tdap ---- Tetanus, diphtheria, and acellular pertussis vaccine

Children born on or after January 1, 1997 and enrolled in grade 6, or transferring into a New Jersey school from another state or country are required to receive one booster dose of Tdap **given no earlier than the 10th birthday.**

For your child's 11 year old physical check-up, please ask the doctor about these vaccines and bring copies of their documented administration dates to update the child's immunization records at school. Documentation is due by the first day of school unless the child turns 11 after the first day of school or within two weeks before school started.

Sincerely,
Frances Jones, RN
School Nurse
