

Remote Learning Technology/Materials Pick Up Schedule

January 3, 2022

Dear Parent/Guardian:

Due to the COVID-19 pandemic, beginning on Tuesday, January 4, 2022, Winslow Township Schools will be providing **remote instruction only** through January 14, 2022. The anticipated return date for in-person learning is Tuesday, January 18, 2022.

If your child does not already have access to a device for remote instruction, we have scheduled a time for you to pick up and borrow a Chromebook, and to collect any materials that your child may need during this time. The following are the dates and times that you may visit your child’s school to pick up the necessary materials for remote instruction.

We ask for your patience during this process, and in order to make things run as smoothly and expediently as possible, we ask that you do the following:

- ***A Parent/Guardian must visit the school to borrow a District Chromebook.***
- ***Technology will only be distributed to a parent or guardian, who will be held financially responsible for the device in the event that any damages are incurred.***
- ***Parents/Guardians will be asked to show a valid ID and to sign a Loan Agreement Form in order to receive a Chromebook for remote instruction.***
